**Respect Life Corner Be Not Afraid - Saving Lives One Baby at a Time** - Each year pro-life pregnancy centers save thousands of lives. Women in their most desperate time of need, searching for answers and a simple helping hand, have been supported and consoled. Countless future doctors, nurses, engineers, inventors, and moms and dads of the next generation have been saved because their moms made the choice to let them live. Those unborn children were given a chance because someone gave their mom a chance, a chance for hope, a chance for success.

**Learn, Act, Connect, Pray:** Find the pro-life pregnancy center in your area. Make contact with the center to see how you might be of assistance. Pray for those women facing a crisis pregnancy and for those agencies and pro-life caregivers who are committed to helping these women.
