### **Sunday morning Faith Formation/Bible Study.**

St. Dominic Spiritual Formation Committee Adult Lenten series will help us grow in our faith. The Bible Study will begin this Sunday, February 25, and will also be on March 4, 11, 18 & 25. Gather today in the Multi-purpose room at 9:15am. Dustin & Lynn McSparin will lead us the first three Sunday's as we explore together various Old and New Testaments stories. Their unique and enjoyable presentation style both challenges the experienced biblical student yet enables the beginner to learn about our Catholic faith and its foundation in the bible.

An excellent Bishop Robert Barron video will be presented for the last two Sunday sessions. He will explore the lives of two pivotal players in our Catholic tradition; Michelangelo and John Henry Newman. Bishop Barron's video takes us to the places where these two great men lived as he explains why they are considered pivotal to our catholic faith.

We hope you will consider joining us for one or all of the sessions. Please consider joining us this lent. (Qualifies for catechist certification credits).

**The Annual Food for Families Program** All of the food and money collected are distributed within the 28 counties of Southern Illinois. 50% of everything we collect goes to our House of Manna in Breese. **Respect Life Corner The Vocation of Peacemaking** - Our biblical heritage and our body of tradition make the vocation of peacemaking mandatory. Authentic prayer, worship and sacramental life challenge us to conversion of our hearts and summon us to works of peace. These concerns are obviously not ours alone, but are the work of the entire community of faith and of all people of good will. **Learn, Act, Connect, Pray** - Every liturgy is a call to and celebration of peace. The cause of peace should be constantly reflected in our prayers of petition. In our schools and seminaries, our religious education and formation efforts, our colleges and universities, we need to continue and intensify our efforts to integrate Catholic teaching on justice, nonviolence and peace into the curriculum and broader life of our educational endeavors. In our advocacy and citizenship efforts and through legislative networks and broader participation in the political process, Catholics can take our principles of peacemaking into the public arena, where they can help shape an active and constructive U.S. role in the world.
