Respect Life Corner: Human Trafficking – No place is exempt from human trafficking today. It is nothing short of modern slavery, exploiting people for profit through sex and labor. Small towns, rural areas and large cities alike are targeted by traffickers.

Learn, Act, Connect, Pray: Human trafficking ranks with gun and drug trafficking as the top crimes globally. It is so insidious because it is kept hidden through intimidation and control. Pray that human trafficking will be brought out into the open and the victims get the help they need to gain control of their lives.
