Respect Life Corner: Immigration – The Catholic Catechism instructs the faithful that good government has two duties, both of which must be carried out and neither of which can be ignored. The first duty is to welcome the foreigner out of charity and respect for the human person. Persons have the right to immigrate and thus government must accommodate this right to the greatest extent possible, especially financially blessed nations.

Learn, Act, Connect, Pray: Read "Strangers No Longer Together on the Journey of Hope", a pastoral letter concerning migration from the Catholic Bishops of Mexico and the United States; contact your state representatives and let them know that all human life deserves respect and to be treated humanely; reach out to those in our local communities who may be going through the process of citizenship, either for themselves or for a family member; continue to pray that all human life will be respected.

If you would like to apply or get more information, go to www.stl-wwme or call 314-649-7317.
