Respect Life Corner: Child and Youth Protection: The United States Conference of Catholic Bishops (uscgb.org) offers many educational resources that address creating safe environments for children, as well as tips for identifying cases of potential child abuse. With children returning to school, they will be introduced to new relationships with adults and caregivers. Educate your children on what an appropriate relationship looks like, encourage them to trust their gut, and, as parents, be accepting and open to hearing and believing them if they ever tell you of a situation that made them feel uncomfortable. **Learn, Act, Connect, Pray:** Together, through the intercession of the Blessed Virgin Mary, Protector of Children, our prayers can help to create awareness and opportunities for healing for those who have been abused. Each month, the Secretariat of Child and Youth Protection offers a rosary for the healing of those who have been sexually abused and for the protection of minors. The next rosary will be prayed on Monday, August 27th at 3pm EST. Consider taking the time out of your day to pray and join in spirit with our brothers and sisters in Christ.

Online Giving available for a one time gift or a scheduled weekly contribution. Go to our website at saintdominicbreese.org for easy set-up. Online giving button is at the bottom of the page.
