Respect Life Corner Catholic Campaign for Human Development; Working on the Margins. Too many people in our country find themselves living in poverty, and the barriers to breaking this cycle can sometimes feel impossibly large. Stable housing is often one of the first steps for someone trying to break out of the cycle of poverty. In many locations the cost to rent an apartment or buy a property has increased beyond what is possible for low to moderate income families to afford. The Catholic Campaign for Human Development allocates funds to community projects that promote the mission and vision of CCHD while adhering to the moral and social teachings of the Catholic Church.

Learn. Act. Connect. Pray. Learn about those living in poverty by visiting www.usccb.org/cchd. Connect with the work of CCHD by supporting the collection and pray for those who benefit from this collection.
