**Respect Life Corner: National Marriage Week -**

Many in our culture today think that it is not possible to love another person for the entirety of one's life. Some protest that love "dies out" and say you can move on and find another person. Pope Francis, however, says that the fear of lifelong commitment is resolved by relying on Christ. In the Our Father, we say, "Give us this day our daily bread"; for Christian couples, we must also ask, "Give us this day our daily love." If a Christian couple entrusts their love to Christ, He will sustain and multiply it. "He has an infinite reserve!"
