Respect Life Corner: Help Us Build Communities in Keeping with God's Vision of Justice – The Spirit of the Lord has anointed us to bring glad tidings to the poor, proclaim liberty to captives and let the oppressed go free. In our families and faith communities, how can we cultivate a sense of responsibility for building a society in which the dignity of each person is recognized and protected?

Learn, Act, Connect, Pray: "Local individuals and groups can make a real difference. They are able to instill a greater sense of responsibility, a strong sense of community, a readiness to protect others, a spirit of creativity and a deep love for the land. ...Social problems must be addressed by community networks and not simply but the sum of individual good deeds." Pope Francis, (Laudato Si') Creator God, help us to join with others as disciples who seek to live the Gospel and transform our communities.
