FROM THE WEST

St. Junipero Serra Route

From our Pacific coast, the western arm of the Pilgrimage will cross the Rocky Mountains and Great Plains on foot. The Junipero Serra Route will be the longest and most challenging branch of the National Eucharistic Pilgrimage covering over 2,200 miles.

Jesus is waiting to walk with YOU

This is a truly unique initiative. Just as throngs followed Christ throughout his earthly ministry, our nation will process with our Eucharistic Lord from the north, south, east, and west edges of our country in the first-ever National Eucharistic Pilgrimage. Join us as we accompany Jesus in the Eucharist across 6500+ miles of the United States, stopping at many holy sites and churches along the way. Thousands will have a powerful opportunity for encounter and healing as Jesus comes to meet them on his way to the 10th National Eucharistic Congress, where he comes to encounter his people anew.
