"I was born in El Salvador and came to the United States when I was 12. My family faced many challenges: civil war, immigration, a new language, and culture. Our faith held us together and provided solace during the hard times. After I was confirmed in 2011, I felt a deeper call to be active in the Church, and I began to teach catechism at my parish. One evening, I went out to measure a building for my job with an insurance companyand I got lost. Turning into another building, I went inside, where a receptionist welcomed me to Holy Trinity Semi- nary. I knew I couldn't keep running from my desire to give more. I entered seminary that summer. Being embraced by divine providence in my call to priesthood and through all the challenges of my life allows me to cry out with confidence: Viva Cristo Rey!
