

LENTEN REGULATIONS 2026

Each year the Lord Jesus calls the entire Church to a special season of penance and renewal. As we begin this holy time of Lent, we should reflect on our need for conversion of heart, prayer, charitable works and penance. The Season of Lent extends this year from Ash Wednesday, February 18th, to the Mass of the Lord's Supper, April 3rd, inclusive.

1. All Catholics who are 14 years of age and older are to observe the penitential practice of abstinence which consists of refraining from the consumption of meat. Ash Wednesday (February 18th), Good Friday (April 3rd), and all the Fridays during Lent are days of abstinence.
2. In addition to abstinence, fasting is to be observed by all Catholics between the ages of 18 – 59 years (inclusive). Ash Wednesday (February 18th), Good Friday (April 3rd) are days of fasting.
3. On these two days of fast and abstinence, only one full meatless meal is allowed. The other meatless meals, sufficient to maintain strength, may be taken according to one's needs, but altogether they should not equal another full meal. Eating between meals is not permitted on these two days, but liquids, including milk and fruit juices, are allowed.
4. If a person is unable to observe the above regulation due to ill health or other serious reasons, they are urged to practice other forms of self-denial that are suitable to their condition.
5. Because Lent is a special season for all Christians, we should not lightly excuse ourselves from these penitential practices.
6. To completely disregard the law of fast and abstinence is seriously sinful.
7. Lent is the principal season of penance in the Christian Year. Clergy, religious and laity are strongly urged to develop and maintain a voluntary program of self-denial (in addition to the above Lenten regulations), serious prayer, and performance of works of charity and mercy, including alms giving.
